IICRC Certified Firm

We offer a full range of cleaning services

The IICRC is the Institute of Inspection Cleaning and Restoration Certification, a non-profit organization for the Inspection, Cleaning, and Restoration Industries. The IICRC, originally named the International Institute of Carpet and Upholstery Cleaning Inc. (IICUC), was founded in 1972 by Ed York. Since starting in 1972, the IICRC has evolved into a global organization with more than 49,000 active Certified Technicians and more than 6,500 Certified Firms around the world.

Our Technology

We offer a full range of technological services.

CLEAN

With our innovative 3-product system, we can provide your facility with better cleaning outcomes. In today's world, disinfection without cleaning cannot happen. It is a danger and health risk for all. And it is our responsibility (and guarantee) that your property is safe for everyone.

MEASURE

Verification of our cleaning processes is the second part of our system. By providing evidence-based cleaning procedures to your facility, we can improve existing methods and train our employees on the most effective strategies to target your toughest cleaning issues.

MONITOR

Through proper evaluation of our standard cleaning procedures, we can enhance our performance. Monitoring methods include thorough electronic inspections and continuous employee training.

Safety

Service Keepers also focuses on unique specialized cleanings like construction site clean up for your beautiful new sites

Our Specialties

Stone Care & Maintenance

In addition to these services, Service Keepers provides facilities with preventative stone care maintenance plans to care for floors. We service countertops, floors, and all-natural stone surfaces.
